

## **CANCELLATION NOTICE**

### **LF 174, Standard Distribution List (SDL) Service Request (Rev. Jun. 2000)**

**Cancelled effective 08-14-07.**

LF 174, Standard Distribution List (SDL) Service Request (Rev. Jun. 2000), was the tool used as a cover sheet to request change(s) to a Langley Research Center SDL. A copy of this form was needed to cover the daily batch of changes, additions, and/or deletions to the SDL named in order to ensure it was continually updated. Because this manual system has been upgraded to an electronic web-based system where the action immediately updates the SDL, this form is obsolete and is officially cancelled.
